

## Conservation Plan for the Piscataquog Watershed

Potential Focus Areas Based on  
Block Size and Habitat Features

### Legend

Watershed Boundary

Road (DOT)

### Pipelines/Transmission Lines

Telephone/Power Line

Airport

Other

Conservation Land

NWI Wetland

### Wildlife Co-occurrence

#### Value

High : 4.000000

Low : 0.000000

### Unfragmented Blocks

500.1 - 1000.0

1000.1 - 5000.0

> 5000 acres

Map created by Jeff Normandin, New Hampshire Audubon, Sept 2005. Wildlife Co-occurrence data created for PWA by the Society for the Protection of New Hampshire Forests. Unfragmented Blocks from NH Fish and Game Dept. Coarse Filter habitat analysis. All other data from NH GRANIT.
